Dear Brian Schwartz,

Please accept this letter as my formal resignation from Lead Front-End Developer at Valtech, effective Friday, Jan. 10, 2020.

During my time at Valtech, I have been fortunate for the opportunity to grow and learn more in my field. Your guidance and support have prepared me well for the future, and I hope that we will have the chance to collaborate again.

Please let me know how I can be of help during the transition period. I wish you and the company the very best going forward.

Sincerely,

Michael Foss
